

CSR REPORT 2019-20

Ganapati Makhar Decoration

Harbinger's CSR partner Adivasi Vikas Prabodhini received a big project of preparing 100 Ganapati Makhars on Ganesh Chaturthi. Harbinger volunteers came forward to help the Creative people project team in painting and decorating Ganapati Makhars. They were instructed and guided by the hearing-impaired individuals who are currently engaged with Creative People.

Rice Plantation Activity

Harbinger came forward to become a part of sustainable development by joining hands in helping the villagers in the Rice Plantation activity. 32 Harbingers registered for this activity. They helped the farmers in rice plantation by completing 5-day activity in 2.30 hours.

Sign Language Day Celebration

On Sign Language Day, the entire Creative People Project team visited Baner office.

20 hearing impaired individuals came up with a skit demonstrating their struggle before joining Creative people Team and the improvement in their lifestyle thereafter. Followed by the skit, the team also performed a dance displaying their excellent coordination and steps synchronization although the music is not audible to them. Prior to all the activity, the team also demonstrated the use of sign language to the audience.

Visit to Shillim Village – Rice Threshing Activity

Like every year, Harbinger once again came forward in the development of the village and the society by extending a helping hand to all the farmers, this time twice in a year.

This year early summer Harbinger employees visited Shillim Village to support the farmers in the rice plantation activity. To assist the farmers in the rice threshing activity, Harbinger employees went back to Shillim village on the onset of winter.

Harbinger Play Santa

Every year during Christmas, Harbinger plays Santa by collecting contributions from its employees. This year, the collection of the contributions was used to beautify a residential school for special abled children of Shree Sai Seva School in Shivane. Harbinger employees spent half a day in painting the walls and making the cartoon characters to give the school a new look.

CSR Team's participation in Families Day, Euphoria

The Creative People team also participated in Harbinger's Families Day by performing a dance. 20 hearing impaired individuals displayed their excellent coordination and steps synchronization to the music which was not audible to them.

Daan Utsav Distribution

Every year Harbinger celebrates 'Daan Utsav' – between October 02 to 08. Every year a selective section of people is picked who can benefit from this initiative. It gives an opportunity to do something good for our society. Through this initiative Harbinger collected school stationeries for the less privileged children from its employees.

The study materials and school stationeries were distributed among the special abled kids of Shree Sai Seva School at Shivane.
